

EMS at Bay Vets

Your goals

Please inform us of particular areas you would like to gain further experience in during your time with us. We endeavour to provide you with a point-of-contact who can best aid you in this.

Name	
Goal 1	
Goal 2	

Your clinical point-of-contact is: _____

You should try to have a discussion with this person a couple of times every week to ensure you are achieving what you hope to and that any questions you may have are answered. The discussion needs not be formal – a chat over a brew is probably sufficient!

Student signature _____

Contact signature _____

Date _____

At the end of your time here, reflect on what you have experienced and how it has affected your studies.
